The James Winterbottom Bursary Award

The James Winterbottom Bursary Fund was named after respected local artist James Winterbottom from Bagshot. His belief that 'art was not just for the few' is a key value of the Surrey Heath Arts Council.

This bursary fund is available to students studying at professional level and may be awarded to help further progression in their chosen field.

Please note applicants must live within the Borough of Surrey Heath to qualify for a bursary and be studying / looking to study in the arts sector.

The Arts Council bursary supports:

- Costs for professional training fees (college, university, dance school)
- Costs for professional membership (e.g. Spotlight)
- Equipment to support artistic training or development (e.g. instruments, books, photographic or other arts related items)

The Arts Council bursary will not support:

- Accommodation costs
- Food and Drink costs
- Travel expenses

Application Process

We invite applications three times a year with deadlines at the end of January, May and September.

The application will be judged by the Arts Council core group in the first instance with a recommendation presented to the Arts Council advisory group. All applicants will be advised within 3 weeks of the deadline and projects must not start until the applicant has been notified.

Please note, priority will be given to those who have not recently been awarded support from the Surrey Heath Arts Council.

All successful applicants will be asked to provide a 500 word summary of the how the Bursary was used. This may be published on the Surrey Heath Arts Council website.
